

ANOTHER UNKNOWN HOTTIE

©2008 Spencer Rogers BMI / Bryan Davis ASCAP

one time standing on a line
damn this girl is fine but I already got mine
she sighs "smoke 'em if you got 'em"
had a sweet set of thighs and a tight little bottom
baby
I said "go on in front of me"
for heat like her things always come easy
"ohh that's so sweet" of me she says

a no no no no
a no no there she goes
her little middle wiggles from side to side
there she goes
quite a site to remember her by
there she goes again
another unknown hottie
there she goes
burnin' my eyes with the motion of her body

deep down I know wrong from right
there's nothing quite like lust at first site
we all got a station in the nation so I give her a
spot in my imagination babe
I tell the devil in me "man you gotta let her go
man I gotta girl at home"
he says

"a no no no no
a n o no" there she goes
her little middle wiggles from side to side
there she goes
quite a site to remember her by
there she goes again
another unknown hottie
there she goes
burnin' my eyes with the motion of her body

hot damn its hard to be a man
in a lookie lookie lookie but don't touch land
I try to explain why i gotta stare at a pair and
baby there's a lot f ladies
I just don't see the harm
It's not like I tattooed that girl to my arm
"baby please don't go"

says "a no no no no a no no"

there she goes
she moves smooth to the music of her feet
there she goes
feel her heels hit the ground sound like a beat
there she goes
like the sun her buns are burning my eyes
there she goes
leaving me without even a goodbye.

when my girl hears this song
gonna smash my cars my guitars and my bong
yeah
she'll say what could madden me more
than bustin you lustin at the grocery store man
I'll say i didn't do nothing wrong
She'll say baby I'm packing my thongs and i'm
gone
baby please dont go
says

"a no no no no a no no"
there she goes
her little middle wiggles from side to side and
there she goes
quite a site to remember her by
there she goes again
another unknown hottie
there she goes
burnin' my eyes with the motion of her body

and I hate to see you leave
but I love to watch you walk away
a no no no no no no
I hate to see you leave yeah
but I love to watch you walk away

yeah yeah yeah
no no no no no
yeah yeah yeah
no no no no no
her little middle wiggling
no no no no no
her little middle wiggling
no no no no no
